CEO MESSAGE

As we embark on FY 2025–2026, Meta Engitech reaffirms its position as a frontrunner in engineering innovation, operational excellence, and sustainable progress. The past year marked a pivotal phase of consolidation and transformation—driven by technological breakthroughs, strategic collaborations, and a steadfast commitment to delivering precision-engineered solutions of global standards.

Our vision remains resolute: to engineer a smarter, sustainable, and interconnected world. Guided by principles of reliability, integrity, and collaborative progress, we continue to expand our global footprint, integrating advanced manufacturing methodologies and intelligent systems that redefine industry benchmarks.

The year ahead represents a gateway to new possibilities—where innovation meets responsibility, and growth aligns with purpose. Backed by our talented workforce, dependable partners, and esteemed clients, we are poised to achieve extraordinary milestones that resonate with our core philosophy of engineering excellence and long-term value creation.

Hemant Agarwal
Chief Executive Officer
Meta Engitech Pvt Ltd.

COMPANY ACHIEVEMENTS

UNLOCKED IN THE LAST QUARTER

The previous quarter marked a defining chapter of pride and progress for Meta Engitech. We attained a significant production milestone, establishing new industry standards in operational excellence, precision manufacturing, and quality assurance.

Driven by the ingenuity and dedication of our teams, this accomplishment has further reinforced our leadership within the engineering and manufacturing domain.

Expanding our global footprint, We entered emerging international markets with strategic intent and remarkable agility. Our enhanced manufacturing infrastructure now enables accelerated delivery schedules and uncompromising adherence to world-class performance benchmarks.

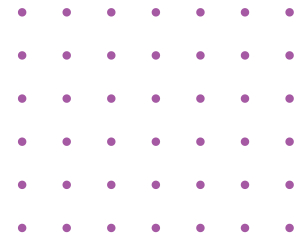

In line with our long-term vision, we continue to channel investments into sustainable, intelligent engineering solutions that enable progress with purpose. Each milestone we reach is a reflection of our collaborative spirit—empowered by innovation, guided by technology, and rooted in trust.

As we celebrate these achievements, we honor the people, performance, and progress that define the **Meta Engitech way**.
